## Region 2 Population

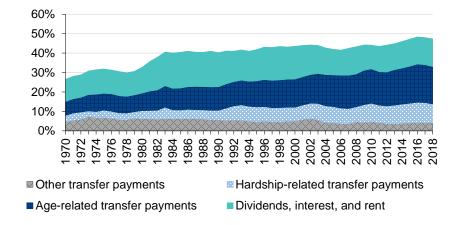

- From 2000 to 2018, population shrank by 16,409 people, a 6% decrease.
- From 2000 to 2018, natural change contributed to 13% of population decline.
- From 2000 to 2018, migration contributed to 78% of population decline.

\* The Census Bureau makes a minor statistical correction, called a "residual" which is shown in the table above, but omitted from the figure. Because of this correction, natural change plus net migration may not add to total population change in the figure.

Data Sources: U.S. Department of Commerce. 2019. Census Bureau, Population Division, Washington, D.C., reported by Headwaters Economics' Economic Profile System, headwaterseconomics.org/eps.

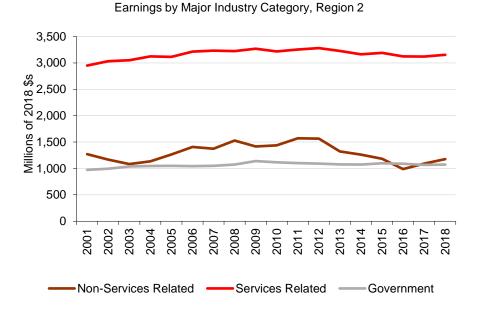

## **Earnings and Employment**

- From 1970 to 2018, labor earnings accounted for 23% of growth and non-labor income for 77%.
- In 1970, non-labor income represented 27% of total personal income. By 2018 non-labor income represented 47% of total personal income.

Data Sources: U.S. Department of Commerce. 2019. Bureau of Economic Analysis, Regional Economic Accounts, Washington, D.C., reported by Headwaters Economics' Economic Profile System, headwaterseconomics.org/eps.

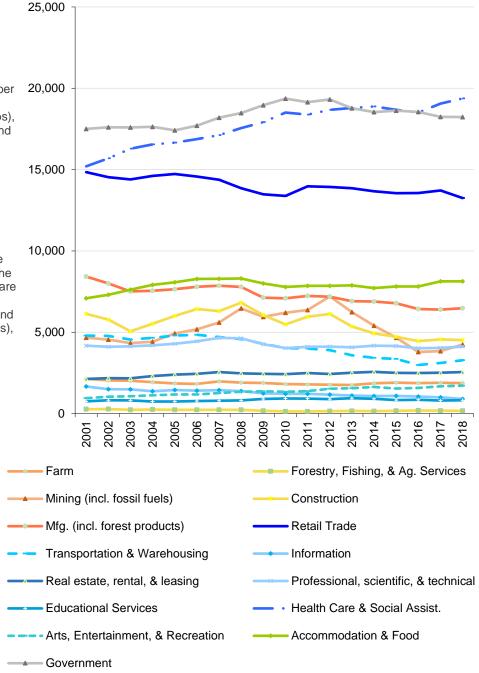

- From 2001 to 2018, earnings in non-services related industries shrank from \$1,269.9 million to \$1,177.3 million, a 7% decrease.
- From 2001 to 2018, earnings in services related industries grew from \$2,949.3 million to \$3,153.8 million, a 7% increase.
- From 2001 to 2018, earnings in government grew from \$972.6 million to \$1,073.2 million, a 10% increase.

#### Non-Labor Income Share of Total Personal Income, Region 2

Data Sources: U.S. Department of Commerce. 2019. Bureau of Economic Analysis, Regional Economic Accounts, Washington, D.C., reported by Headwaters Economics' Economic Profile System, headwaterseconomics.org/eps.

- In 2018 the three industry sectors with the largest number of jobs were health care and social assistance (19,374 jobs), government (18,236 jobs), and retail trade (13,250 jobs).
- From 2001 to 2018, the three industry sectors that added the most new jobs were health care and social assistance (4,172 new jobs), accommodation and food services (1,037 new jobs), and arts, entertainment, and recreation (772 new jobs).
